

**ELYSIAN CITY COUNCIL
SPECIAL MEETING
MAY 22, 2018**

The Elysian City Council met in special session on Tuesday, May 22, 2018 at City Hall at 6:00 pm.

Roll Call: Mayor Clinton Stoen; Councilmembers Robert Houlihan, Tom McBroom, and Mary Opsahl; City Administrator Lorri Kopischke; Absent: Councilmember Dennis Schnoor.

George Eilertson, Northland Securities, reported that S&P Global Ratings had affirmed the City of Elysian's bond rating of AA-. This is a strong bond rating which makes the City more attractive to investors and helps the City secure a lower interest rate.

Eilertson presented the Bond Sale Summary for the \$2,225,000 General Obligation Improvement Bonds, Series 2018A. The bonds have been structured in debt service payments over 15 years. The average interest rate is 3.49% and the true interest cost is 3.36%. There is a contingency built into the bond in the amount of \$75,000. This amount is for the Tourism Center parking lot and the water main crossing on Highway 60 that was previously budgeted with the 2020 MnDOT Highway 60 project. A closing date is anticipated within 3 to 4 weeks and funds should be available prior to June 20, 2018.

On motion by Opsahl, seconded by Houlihan, all voting in favor to approve Resolution 620/18 as follows:

RESOLUTION 620/18

A. B. WHEREAS, the Improvements and all their components have been ordered by not less than a 4/5ths vote prior to the date hereof, after a hearing thereon for which notice was given describing the Improvements or all their components by general nature, estimated cost, and area to be assessed; and

C. WHEREAS, the City has retained Blue Rose Capital Advisors in Minneapolis, Minnesota, as its independent municipal advisor for the sale of the Bonds and was therefore authorized to sell the Bonds by private negotiation in accordance with Minnesota Statutes, Section 475.60, Subdivision 2(9); and

D. WHEREAS, it is in the best interests of the City that the Bonds be issued in book-entry form as hereinafter provided; and

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Elysian, Minnesota, as follows:

1. Acceptance of Offer. The offer of Northland Securities, Inc. (the "Purchaser"), to purchase the Bonds of the City (or individually, a "Bond"), in accordance with the terms and at the rates of interest hereinafter set forth, and to pay therefor the sum of \$2,242,763.95, plus interest accrued to settlement, is hereby accepted.

2. Bond Terms.

(a) Title; Original Issue Date; Denominations; Maturities; Term Bond Option. The Bonds shall be titled "General Obligation Improvement Bonds, Series 2018A", shall be dated June 21, 2018, as the date of original issue and shall be issued forthwith on or after such date in fully registered form. The Bonds shall be numbered from R-1 upward in the denomination of \$5,000 each or in any integral multiple thereof of a single maturity (the "Authorized Denominations"). The Bonds shall mature on February 1 in the years and amounts as follows:

<u>Year</u>	<u>Amount</u>	<u>Year</u>	<u>Amount</u>

2023	130,000	2031	165,000
2024	135,000	2032	170,000
2025	140,000	2033	180,000
2026	140,000	2034	185,000

As may be requested by the Purchaser, one or more term Bonds may be issued having mandatory sinking fund redemption and final maturity amounts conforming to the foregoing principal repayment schedule, and corresponding additions may be made to the provisions of the applicable Bond(s).

(b) Book Entry Only System. The Depository Trust Company, a limited purpose trust company organized under the laws of the State of New York or any of its successors or its successors to its functions hereunder (the "Depository") will act as securities depository for the Bonds, and to this end:

(i) The Bonds shall be initially issued and, so long as they remain in book entry form only (the "Book Entry Only Period"), shall at all times be in the form of a separate single fully registered Bond for each maturity of the Bonds; and for purposes of complying with this requirement under paragraphs 5 and 10 Authorized Denominations for any Bond shall be deemed to be limited during the Book Entry Only Period to the outstanding principal amount of that Bond.

(ii) Upon initial issuance, ownership of the Bonds shall be registered in a bond register maintained by the Bond Registrar (as hereinafter defined) in the name of CEDE & CO., as the nominee (it or any nominee of the existing or a successor Depository, the "Nominee").

(iii) With respect to the Bonds neither the City nor the Bond Registrar shall have any responsibility or obligation to any broker, dealer, bank, or any other financial institution for which the Depository holds Bonds as securities depository (the "Participant") or the person for which a Participant holds an interest in the Bonds shown on the books and records of the Participant (the "Beneficial Owner"). Without limiting the immediately

preceding sentence, neither the City, nor the Bond Registrar, shall have any such responsibility or obligation with respect to (A) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in the Bonds, or (B) the delivery to any Participant, any Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or (C) the payment to any Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the principal of or premium, if any, or interest on the Bonds, or (D) the consent given or other action taken by the Depository as the Registered Holder of any Bonds (the "Holder"). For purposes of securing the vote or consent of any Holder under this Resolution, the City may, however, rely upon an omnibus proxy under which the Depository assigns its consenting or voting rights to certain Participants to whose accounts the Bonds are credited on the record date identified in a listing attached to the omnibus proxy.

(iv) The City and the Bond Registrar may treat as and deem the Depository to be the absolute owner of the Bonds for the purpose of payment of the principal of and premium, if any, and interest on the Bonds, for the purpose of giving notices of redemption and other matters with respect to the Bonds, for the purpose of obtaining any consent or other action to be taken by Holders for the purpose of registering transfers with respect to such Bonds, and for all purpose whatsoever. The Bond Registrar, as paying agent hereunder, shall pay all principal of and premium, if any, and interest on the Bonds only to the Holder or the Holders of the Bonds as shown on the bond register, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to the principal of and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid.

(v) Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new Nominee in place of the existing Nominee, and subject to the transfer provisions in paragraph 10 hereof, references to the Nominee hereunder shall refer to such new Nominee.

(vi) So long as any Bond is registered in the name of a Nominee, all payments with respect to the principal of and premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, by the Bond Registrar or City, as the case may be, to the Depository as provided in the Letter of Representations to the Depository required by the Depository as a condition to its acting as book-entry Depository for the Bonds (said Letter of Representations, together with any replacement thereof or amendment or substitute thereto, including any standard procedures or policies referenced therein or applicable thereto respecting the procedures and other matters relating to the Depository's role as book-entry Depository for the Bonds, collectively hereinafter referred to as the "Letter of Representations").

(vii) All transfers of beneficial ownership interests in each Bond issued in book-entry form shall be limited in principal amount to Authorized Denominations and shall be effected by procedures by the Depository with the Participants for recording and transferring the ownership of beneficial interests in such Bonds.

(viii) In connection with any notice or other communication to be provided to the Holders pursuant to this Resolution by the City or Bond Registrar with respect to any consent or other action to be taken by Holders, the Depository shall consider the date of receipt of notice requesting such consent or other action as the record date for such consent or other action; provided, that the City or the Bond Registrar may establish a special record date for such consent or other action. The City or the Bond Registrar shall, to the extent possible, give the Depository notice of such special record date not less than 15 calendar days in advance of such special record date to the extent possible.

(ix) Any successor Bond Registrar in its written acceptance of its duties under this Resolution and any paying agency/bond registrar agreement, shall agree to take any actions necessary from time to time to comply with the requirements of the Letter of Representations.

(c) Termination of Book-Entry Only System. Discontinuance of a particular Depository's services and termination of the book-entry only system may be effected as follows:

(i) The Depository may determine to discontinue providing its services with respect to the Bonds at any time by giving written notice to the City and discharging its responsibilities with respect thereto under applicable law. The City may terminate the services of the Depository with respect to the Bond if it determines that the Depository is no longer able to carry out its functions as securities depository or the continuation of the system of book-entry transfers through the Depository is not in the best interests of the City or the Beneficial Owners.

(ii) Upon termination of the services of the Depository as provided in the preceding paragraph, and if no substitute securities depository is willing to undertake the functions of the Depository hereunder can be found which, in the opinion of the City, is willing and able to assume such functions upon reasonable or customary terms, or if the City determines that it is in the best interests of the City or the Beneficial Owners of the Bond that the Beneficial Owners be able to obtain certificates for the Bonds, the Bonds shall no longer be registered as being registered in the bond register in the name of the Nominee, but may be registered in whatever name or names the Holder of the Bonds shall designate at that time, in accordance with paragraph 10. To the extent that the Beneficial Owners are designated as the transferee by the Holders, in accordance with paragraph 10 hereof, the Bonds will be delivered to the Beneficial Owners.

(iii) Nothing in this subparagraph (c) shall limit or restrict the provisions of paragraph 10.

(d) Letter of Representations. The provisions in the Letter of Representations are incorporated herein by reference and made a part of the resolution, and if and to the extent any such provisions are inconsistent with the other provisions of this resolution, the provisions in the Letter of Representations shall control.

3. Purpose. The Bonds shall provide funds to finance the Improvements. The total cost of the Improvements, which shall include all costs enumerated in Minnesota Statutes, Section 475.65, is estimated to be at least equal to the amount of the Bonds. Work on the Improvements shall proceed with due diligence to completion. The City covenants that it shall do all things and perform all acts required of it to assure that work on the Improvements proceeds with due diligence to completion and that any and all permits and studies required under law for the Improvements are obtained.

4. Interest. The Bonds shall bear interest payable semiannually on February 1 and August 1 of each year (each, an "Interest Payment Date"), commencing February 1, 2019, calculated on the basis of a 360-day year of twelve 30-day months, at the respective rates per annum set forth opposite the maturity years as follows:

<u>Maturity Year</u>	<u>Interest Rate</u>	<u>Maturity Year</u>	<u>Interest Rate</u>
2020	3.00%	2028	3.00%
2021	3.00	2029	3.00

2022	3.00	2030	3.00
2023	3.00	2031	4.00
2024	3.00	2032	4.00
2025	3.00	2033	4.00
2026	3.00	2034	4.00
2027	3.00		

5. Redemption. All Bonds maturing on February 1, 2027 and thereafter, shall be subject to redemption and prepayment at the option of the City on February 1, 2026, and on any date thereafter at a price of par plus accrued interest. Redemption may be in whole or in part of the Bonds subject to prepayment. If redemption is in part, the selection of the amounts and maturities of the Bonds to be prepaid shall be at the discretion of the City; and if only part of the Bonds having a common maturity date are called for prepayment, the specific Bonds to be prepaid shall be chosen by lot by the Bond Registrar. Bonds or portions thereof called for redemption shall be due and payable on the redemption date, and interest thereon shall cease to accrue from and after the redemption date. Mailed notice of redemption shall be given to the paying agent and to each affected registered holder of the Bonds at least thirty days prior to the date fixed for redemption.

To effect a partial redemption of Bonds having a common maturity date, the Bond Registrar prior to giving notice of redemption shall assign to each Bond having a common maturity date a distinctive number for each \$5,000 of the principal amount of such Bond. The Bond Registrar shall then select by lot, using such method of selection as it shall deem proper in its discretion, from the numbers so assigned to such Bonds, as many numbers as, at \$5,000 for each number, shall equal the principal amount of such Bonds to be redeemed. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the City or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the City and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the City shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

6. Bond Registrar. Northland Trust Services, Inc., in Minneapolis, Minnesota, is appointed to act as bond registrar and transfer agent with respect to the Bonds (the "Bond Registrar"), and shall do so unless and until a successor Bond Registrar is duly appointed, all pursuant to any contract the City and Bond Registrar shall execute which is consistent herewith. The Bond Registrar shall also serve as paying agent unless and until a successor paying agent is duly appointed. Principal and interest on the Bonds shall be paid to the registered holders (or record holders) of the Bonds in the manner set forth in the form of Bond and paragraph 12 of this resolution.

7. Form of Bond. The Bonds, together with the Bond Registrar's Certificate of Authentication, the form of Assignment and the registration information thereon, shall be in substantially the following form:

The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected; provided, however, that only so much of the principal amount of Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. If a Bond is to be redeemed only in part, it shall be surrendered to the Bond Registrar (with, if the Issuer or Bond Registrar so requires, a written instrument of transfer in form satisfactory to the Issuer and Bond Registrar duly executed by the Holder thereof or the Holder's attorney duly authorized in writing) and the Issuer shall execute (if necessary) and the Bond Registrar shall authenticate and deliver to the Holder of the Bond, without service charge, a new Bond or Bonds having the same stated maturity and interest rate and of any Authorized Denomination or Denominations, as requested by the Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bond so surrendered.

There shall be maintained in the Fund the following separate accounts:

(a) Construction Account. To the Construction Account there shall be credited the proceeds of the sale of the Bonds, less capitalized interest, plus any special assessments levied with respect to the Improvements and collected prior to completion of the Improvements and payment of the costs thereof. From the Construction Account there shall be paid all costs and expenses of making the Improvements, including the cost of any construction contracts heretofore let and all other costs incurred and to be incurred of the kind authorized in Minnesota Statutes, Section 475.65. Moneys in the Construction Account shall be used for no other purpose except as otherwise provided by law; provided that the proceeds of the Bonds may also be used to the extent necessary to pay interest on the Bonds due prior to the anticipated date of commencement of the collection of taxes or special assessments herein levied or covenanted to be levied; and provided further that if upon completion of the Improvements there shall remain any unexpended balance in the Construction Account, the balance (other than any special assessments) shall be transferred by the Council to the Debt Service Account or the fund of any other improvement instituted pursuant to

Minnesota Statutes, Chapter 429, and provided further that any special assessments credited to the Construction Account shall only be applied towards payment of the costs of the Improvements upon adoption of a resolution by the City Council determining that the application of the special assessments for such purpose will not cause the City to no longer be in compliance with Minnesota Statutes, Section 475.61, Subdivision 1.

(b) Debt Service Account. There are hereby irrevocably appropriated and pledged to, and there shall be credited to, the Debt Service Account: (i) all collections of special assessments herein covenanted to be levied with respect to the Improvements and either initially credited to the Construction Account and not already spent as permitted above and required to pay any principal and interest due on the Bonds or collected subsequent to the completion of the Improvements and payment of the costs thereof; (ii) capitalized interest in the amount of \$45,069.44 (together with interest earnings thereon and subject to such other adjustments as are appropriate to provide sufficient funds to pay interest due on the Bonds on or before February 1, 2019); (iii) any collections of all taxes herein or hereafter levied for the payment of the Bonds and interest thereon; (iv) all funds remaining in the Construction Account after completion of the Improvements and payment of the costs thereof, not so transferred to the account of another improvement; (v) all investment earnings on funds held in the Debt Service Account; and (vi) any and all other moneys which are properly available and are appropriated by the governing body of the City to the Debt Service Account. The Debt Service Account shall be used solely to pay the principal and interest and any premiums for redemption of the Bonds and any other general obligation bonds of the City hereafter issued by the City and made payable from said account as provided by law.

No portion of the proceeds of the Bonds shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (i) for a reasonable temporary period until such proceeds are needed for the purpose for which the Bonds were issued and (ii) in addition to the above in an amount not greater than the lesser of 5% of the proceeds of the Bonds or \$100,000. To this effect, any proceeds of the Bonds and any sums from time to time held in the Construction Account or Debt Service Account (or any other City account which will be used to pay principal or interest to become due on the bonds payable therefrom) in excess of amounts which under then-applicable federal arbitrage regulations may be invested without regard to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable "temporary periods" or "minor portion" made available under the federal arbitrage regulations. Money in the Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code").

16. Assessments. It is hereby determined that no less than 20% of the cost to the City of each Improvement financed hereunder within the meaning of Minnesota Statutes, Section 475.58, Subdivision 1(3), shall be paid by special assessments to be levied against every assessable lot, piece and parcel of land benefitted by any of the Improvements. The City hereby covenants and agrees that it will let all construction contracts not heretofore let within one year after ordering each Improvement financed hereunder unless the resolution ordering the Improvement specifies a different time limit for the letting of construction contracts. The City hereby further covenants and agrees that it will do and perform as soon as they may be done all acts and things necessary for the final and valid levy of such special assessments, and in the event that any such assessment be at any time held invalid with respect to any lot, piece or parcel of land due to any error, defect, or irregularity in any action or proceedings taken or to be taken by the City or the City Council or any of the City officers or employees, either in the making of the assessments or in the performance of any condition precedent thereto, the City and the City Council will forthwith do all further acts and take all further proceedings as may be required by law to make the assessments a valid and binding lien

upon such property. The special assessments have heretofore been authorized. Subject to such adjustments as are required by the conditions in existence at the time the assessments are levied, it is hereby determined that the assessments shall be payable in equal, consecutive, annual installments, with general taxes for the years shown below and with interest on the declining balance of all such assessments at the rates per annum not less than the rate per annum set forth opposite the collection years specified below:

<u>Improvement Designation</u>	<u>Amount</u>	<u>Levy Years</u>	<u>Collection Years</u>	<u>Rate</u>
2018 Street & Utility Improvement Project	SEE ATTACHED SCHEDULE			

At the time the assessments are in fact levied the City Council shall, based on the then-current estimated collections of the assessments, make any adjustments in any ad valorem taxes required to be levied in order to assure that the City continues to be in compliance with Minnesota Statutes, Section 475.61, Subdivision 1.

17. Tax Levy: Coverage Test. To provide moneys for payment of the principal and interest on the Bonds there is hereby levied upon all of the taxable property in the City a direct annual ad valorem tax which shall be spread upon the tax rolls and collected with and as part of other general property taxes in the City for the years and in the amounts as follows:

<u>Year of Tax Levy</u>	<u>Year of Tax Collection</u>	<u>Amount</u>
SEE ATTACHED SCHEDULE		

The tax levies are such that if collected in full they, together with estimated collections of special assessments and other revenues herein pledged for the payment of the Bonds, will produce at least 5% in excess of the amount needed to meet when due the principal and interest payments on the Bonds. The tax levies shall be irrevocable so long as any of the Bonds are outstanding and unpaid, provided that the City reserves the right and power to reduce the levies in the manner and to the extent permitted by Minnesota Statutes, Section 475.61, Subdivision 3.

18. Defeasance. When all Bonds have been discharged as provided in this paragraph, all pledges, covenants and other rights granted by this resolution to the registered holders of the Bonds shall, to the extent permitted by law, cease. The City may discharge its obligations with respect to any Bonds which are due on any date by irrevocably depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full; or if any Bond should not be paid when due, it may nevertheless be discharged by depositing with the Bond Registrar a sum sufficient for the payment thereof in full with interest accrued to the date of such deposit. The City may also discharge its obligations with respect to any prepayable Bonds called for redemption on any date when they are prepayable according to their terms, by depositing with the Bond Registrar on or before that date a sum sufficient for the payment thereof in full, provided that notice of redemption thereof has been duly given. The City may also at any time discharge its obligations with respect to any Bonds, subject to the provisions of law now or hereafter authorizing and regulating such action, by depositing irrevocably in escrow, with a suitable banking institution qualified by law as an escrow agent for this purpose, cash or securities described in Minnesota Statutes, Section 475.67, Subdivision 8, bearing interest payable at such times and at such rates and maturing on such dates as shall be required, without regard to sale and/or reinvestment, to pay all amounts to become due thereon to maturity or, if notice of redemption as herein required has been duly provided for, to such earlier redemption date.

19. Compliance With Reimbursement Bond Regulations. The provisions of this paragraph are intended to establish and provide for the City's compliance with United States Treasury Regulations Section 1.150-2 (the "Reimbursement Regulations") applicable to the "reimbursement proceeds" of the Bonds, being those portions thereof which will be used by the City to reimburse itself for any expenditure which the City paid or will have paid prior to the Closing Date (a "Reimbursement Expenditure").

The City hereby certifies and/or covenants as follows:

(a) Not later than 60 days after the date of payment of a Reimbursement Expenditure, the City (or person designated to do so on behalf of the City) has made or will have made a written declaration of the City's official intent (a "Declaration") which effectively (i) states the City's reasonable expectation to reimburse itself for the payment of the Reimbursement Expenditure out of the proceeds of a subsequent borrowing; (ii) gives a general and functional description of the property, project or program to which the Declaration relates and for which the Reimbursement Expenditure is paid, or identifies a specific fund or account of the City and the general functional purpose thereof from which the Reimbursement Expenditure was to be paid (collectively the "Project"); and (iii) states the maximum principal amount of debt expected to be issued by the City for the purpose of financing the Project; provided, however, that no such Declaration shall necessarily have been made with respect to: (i) "preliminary expenditures" for the Project, defined in the Reimbursement Regulations to include engineering or architectural, surveying and soil testing expenses and similar prefatory costs, which in the aggregate do not exceed 20% of the "issue price" of the Bonds, and (ii) a de minimis amount of Reimbursement Expenditures not in excess of the lesser of \$100,000 or 5% of the proceeds of the Bonds.

(b) Each Reimbursement Expenditure is a capital expenditure or a cost of issuance of the Bonds or any of the other types of expenditures described in Section 1.150-2(d)(3) of the Reimbursement Regulations.

(c) The "reimbursement allocation" described in the Reimbursement Regulations for each Reimbursement Expenditure shall and will be made forthwith following (but not prior to) the issuance of the Bonds and in all events within the period ending on the date which is the later of three years after payment of the Reimbursement Expenditure or one year after the date on which the Project to which the Reimbursement Expenditure relates is first placed in service.

(d) Each such reimbursement allocation will be made in a writing that evidences the City's use of Bond proceeds to reimburse the Reimbursement Expenditure and, if made within 30 days after the Bonds are issued, shall be treated as made on the day the Bonds are issued.

Provided, however, that the City may take action contrary to any of the foregoing covenants in this paragraph upon receipt of an opinion of its Bond Counsel for the Bonds stating in effect that such action will not impair the tax-exempt status of the Bonds.

20. General Obligation Pledge. For the prompt and full payment of the principal and interest on the Bonds, as the same respectively become due, the full faith, credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Debt Service Account is ever insufficient to pay all principal and interest then due on the Bonds and any other bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, and such other funds may be reimbursed with or without interest from the Debt Service Account when a sufficient balance is available therein.

21. Certificate of Registration. The Administrator/Clerk/Treasurer is hereby directed to file a certified copy of this resolution with the County Auditors of Le Sueur County and Waseca County, Minnesota, together with such other information as each of the County Auditors shall require, and to obtain from each County Auditor their Certificate that the Bonds have been entered in their Bond Register and that the tax levy required by law has been made.

22. Records and Certificates. The officers of the City are hereby authorized and directed to prepare and furnish to the Purchaser, and to the attorneys approving the legality of the issuance of the Bonds, certified copies of all proceedings and records of the City relating to the Bonds and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Bonds as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

23. Negative Covenant as to Use of Bond Proceeds and Improvements. The City hereby covenants not to use the proceeds of the Bonds or to use the Improvements, or to cause or permit them to be used, or to enter into any deferred payment arrangements for the cost of the Improvements, in such a manner as to cause the Bonds to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code.

24. Tax-Exempt Status of the Bonds; Rebate. The City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Bonds, including without limitation (i) requirements relating to temporary periods for investments, (ii) limitations on amounts invested at a yield greater than the yield on the Bonds, and (iii) the rebate of excess investment earnings to the United States if the Bonds (together with other obligations reasonably expected to be issued and outstanding at one time in this calendar year) exceed the small-issuer exception amount of \$5,000,000.

For purposes of qualifying for the small issuer exception to the federal arbitrage rebate requirements for governmental units issuing \$5,000,000 or less of bonds, the City hereby finds, determines and declares that (i) the Bonds are issued by a governmental unit with general taxing powers; (ii) no Bond is a private activity bond; (iii) 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the City (or of a governmental unit the jurisdiction of which is entirely within the jurisdiction of the City); and (iv) the aggregate face amount of all tax-exempt bonds (other than private activity bonds) issued by the City (and all entities subordinate to, or treated as one issuer with the City) during the calendar year in which the Bonds are issued and outstanding at one time is not reasonably expected to exceed \$5,000,000, all within the meaning of Section 148(f)(4)(D) of the Code.

25. Designation of Qualified Tax-Exempt Obligations. In order to qualify the Bonds as "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code, the City hereby makes the following factual statements and representations:

- (a) the Bonds are issued after August 7, 1986;
- (b) the Bonds are not "private activity bonds" as defined in Section 141 of the Code;
- (c) the City hereby designates the Bonds as "qualified tax-exempt obligations" for purposes of Section 265(b)(3) of the Code;

(d) the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds, treating qualified 501(c)(3) bonds as not being private activity bonds) which will be issued by the City (and all entities treated as one issuer with the City, and all subordinate entities whose obligations are treated as issued by the City) during this calendar year 2018 will not exceed \$10,000,000;

(e) not more than \$10,000,000 of obligations issued by the City during this calendar year 2018 have been designated for purposes of Section 265(b)(3) of the Code; and

(f) the aggregate face amount of the Bonds does not exceed \$10,000,000.

The City shall use its best efforts to comply with any federal procedural requirements which may apply in order to effectuate the designation made by this paragraph.

26. Continuing Disclosure. The City is the sole obligated person with respect to the Bonds. The City hereby agrees, in accordance with the provisions of Rule 15c2-12 (the "Rule"), promulgated by the Securities and Exchange Commission (the "Commission") pursuant to the Securities Exchange Act of 1934, as amended, and a Continuing Disclosure Undertaking (the "Undertaking") hereinafter described:

(a) to provide or cause to be provided to the Municipal Securities Rulemaking Board, by filing at www.emma.msrb.org, (i) at least annually, its audited financial statements for the most recent fiscal year, and (ii) notice of the occurrence of certain events with respect to the Bonds in not more than ten (10) business days after the occurrence of such event, in accordance with the Undertaking; and

(b) its covenants pursuant to the Rule set forth in this paragraph and in the Undertaking is intended to be for the benefit of the Holders of the Bonds and shall be enforceable on behalf of such Holders; provided that the right to enforce the provisions of these covenants shall be limited to a right to obtain specific enforcement of the City's obligations under the covenants.

The Mayor and Administrator/Clerk/Treasurer or any other officer of the City authorized to act in their place (the "Officers") are hereby authorized and directed to execute on behalf of the City the Undertaking in substantially the form presented to the City Council subject to such modifications thereof or additions thereto as are (i) consistent with the requirements under the Rule, (ii) required by the Purchaser of the Bonds, and (iii) acceptable to the Officers.

27. Official Statement. The Official Statement relating to the Bonds prepared and distributed by the Purchaser is hereby approved and the officers of the City are authorized in connection with the delivery of the Bonds to sign such certificates as may be necessary with respect to the completeness and accuracy of the Official Statement.

28. Severability. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

29. Headings. Headings in this resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.

On motion by Opsahl, seconded by McBroom, all voting in favor, to approve the sale and installation of Direct Replacement DeZurick Plug Valve in the amount of \$3,823 from Minnesota Pump Works.

It was noted that Dallas McBroom did not accept the offer for employment as public works temporary summer employee.

On motion by Stoen, seconded by McBroom, all voting in favor, to approve David Schlueter for public works temporary summer employee.

There was no further business to be considered.

On motion by Stoen, seconded by McBroom, all voting in favor, to adjourn the meeting at 6:20 pm.
