

## "A Place for Remembrance" Veterans Memorial

The American Legion Post 311 and Auxiliary Unit 311 are creating a Veteran's Memorial for the public from the Elysian, Waterville and surrounding area to enjoy. "A Place for Remembrance" will be constructed at the new Sunset Park in Elysian. The structure will be centrally located on the north end of the park, just west of the WEM Elysian school building.

The Memorial will be a place to show our respect and gratitude for all military personnel; those who continue to serve our great country, and the many Veterans who we will always remember for the sacrifices they have made. There are no restrictions for a paver to be placed at the Memorial; whether or not they hold a membership in the Legion or VFW, or had been deployed during a war or conflict. This Memorial is for All military men and women we want to honor who may have lived in the area with their families. Engraved Pavers will be placed between the perimeters of the outside walls and pathways to the site.

The public may purchase a personalized paver for \$100 for a 4" x 8" brick. Each brick can be personalized with up to 3 lines of text, 20 characters per line for the branch of service, military personnel's name, and conflict or war they served during.
