

**ELYSIAN CITY COUNCIL
SPECIAL WORKSHOP MEETING
WATER TREATMENT PLANT
APRIL 21, 2022**

The Elysian City Council held a special workshop meeting on Thursday, April 21, 2022 at City Hall at 3:30 pm.

Roll Call: Mayor Tom McBroom; Councilmembers Bobby Houlihan (remote) and Dennis Schnoor; City Administrator Lorri Kopischke; Public Works Director Ron Greenwald; Public Works Worker Don Doehling. Absent: Councilmembers Bryan Suemnick and Derek Westby.

Also present: Various Representatives of SEH Engineering including Chris Cavett, Brent Kavitz, Andrew Knapp, and Richard Parr.

The purpose of this workshop was to review the preliminary drawing and key design criteria of the proposed water treatment plant as follows:

1. Civil
2. Process – Water Treatment
3. Architectural
4. Structural
5. Mechanical
6. Electrical

Representatives of SEH Engineering also provided an opinion of probable construction cost of \$7,460,210 including Reverse Osmosis (RO) Equipment and \$6,648,201 not including Reverse Osmosis (RO) Equipment.

Next step in the process is to determine available funding.

Meeting adjourned at 4:30 pm.

Approved:

Tom McBroom, Mayor

Attested:

Lorri Kopischke, City Administrator
