

April 10, 2023

Dear Elysian Area Residents,

We are writing on behalf of the City of Elysian and Elysian Park Board to request donations for our new multi-purpose sports courts located near the Elysian School that will include tennis, basketball, and pickleball courts. The anticipated completion timeline is summer of 2023. The donations collected will go directly towards the completion of the courts.

We have received \$16,450 in donations towards the project to date. We would greatly appreciate any donation you can add towards our final goal of \$50,000. Should you donate, you will be recognized by the city via a plaque at the site. If you prefer to remain anonymous, we will accommodate your wishes.

If you have questions or need further information, please contact Elysian City Hall by email ([nicole@elysianmn.com](mailto:nicole@elysianmn.com)), phone (507) 267-4708, or stop into City Hall during business hours. We will have the plans on a poster board at City Hall. On behalf of the City of Elysian and Elysian Park Board, we thank you for your donation consideration. This will be a great addition to our community for all ages to enjoy.

Sincerely,

Park Board Members

Tom McBroom, Bobby Houlihan, Ron Greenwald, Nicole Lamont, Mark Thompson,  
Shayne Danielson-Copeland, and Roger Quiram
